Dear Mr. Rosenthal:

I'd like to thank you once again for speaking at our workshop on 5/14/06, "Getting Our Connections Straight: Guiding Our Children in the Proper Use of Technology and Internet Access". Your presentation on this timely topic was comprehensive, thought provoking and very well received by the participants.

We appreciate your involvement in our program and we look forward to continuing to work together with you in the future.

Sincerely,

Ronald M. Lamb, LCSW
Coordinator, School-Based Services
