Dear Philip,

Please allow me the opportunity to thank you for all your efforts in making this year's SHARP Program so successful. Your presentations were tremendously well received, and provided our HANC families with a fresh and healthy perspective on the very complex topic of internet safety. Attendees continue to discuss with me and my staff the concepts that they had learned during the evening event. Some have expressed interest in further dialogue with the computer staff at the school.

I look forward to continuing to elicit your expertise in future events such as these for our students and parents.

Thank you again for helping to make this year's program a success.

Sincerely,

Barry Horowitz, LCSW-R.
Director of Counseling
